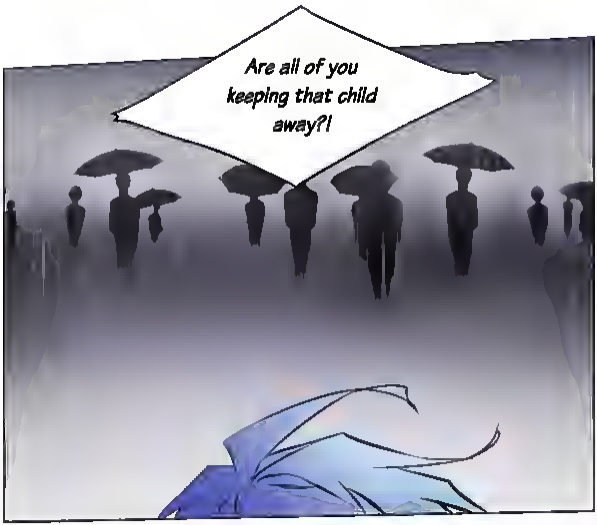
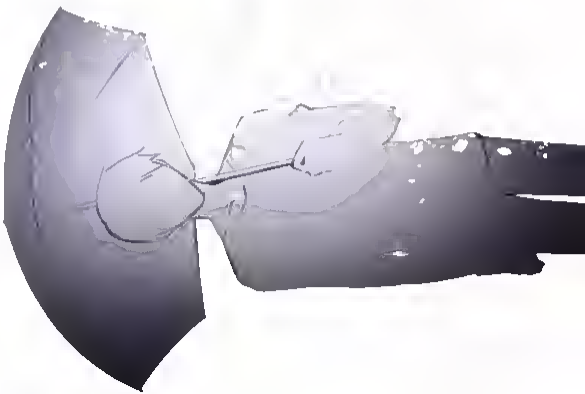
—!!



Are all of you keeping that child away?!

Why don't you let her meet me?!
Why always hurt us?!
Always making me feel painful
scared...

'They' are.....



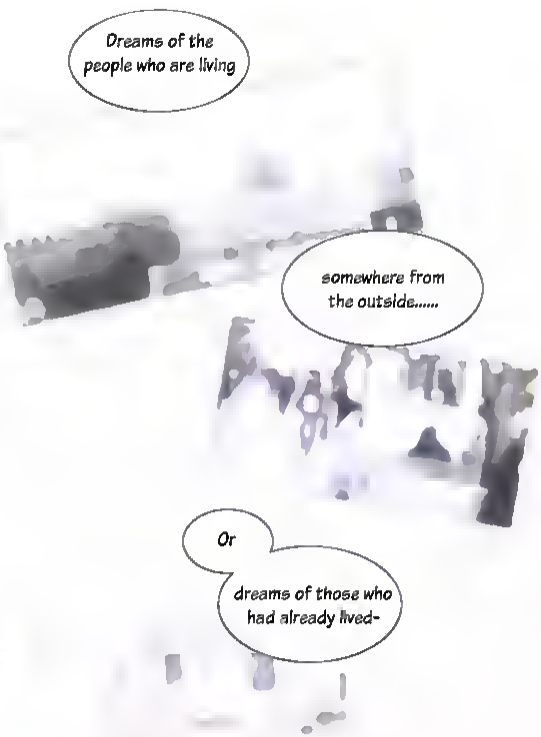
THAT'S.....
They're here
to help you children.

I told you before, right?

The only children

in this village are only you two

.....Everything else is all
dreams that are shown for you who are soon going to be born.



Dreams of the people who are living
somewhere from the outside.....
Or
dreams of those who had already lived-

their 'Hearts'.

Forget about something like the outside.
There's no such place.
it's better not to have eyes

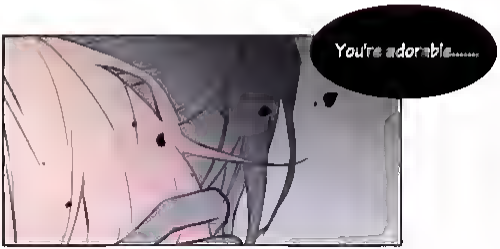
It's too cruel for a child like you to go
There are only terrible things happening out there.....
.....Why..... do you say such thing?
You never talked to me like that.....

Until now.....
I haven't heard such
a sad voice....

..... Is that place

somewhere I really
shouldn't go.....?

hugs



You're adorable.....

You have such a lovely laugh.....
The outside world takes that laugh away from you....
Everyone is sad, in pain.....
You'll regret it if you go.....

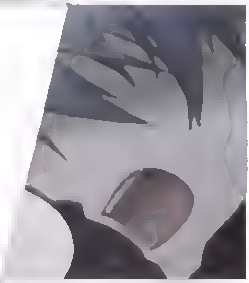
I..... have been waiting after hearing your voice

To go there

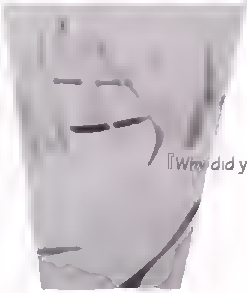
to open my eyes

to meet you

and to see.....



『Why do you want it so much?』

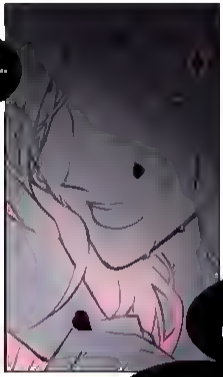


『Why did you say..... 』

WHAT
I COULDN'T SEE
UNTIL NOW.

Please

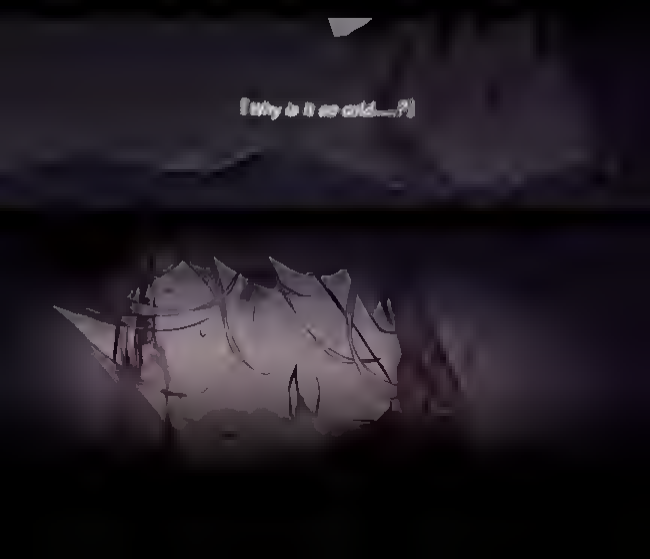
stay here with me.....



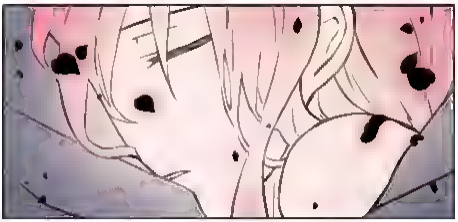
If you do that, I'll protect you.

I'll let you laugh forever.

Since I'm a parent
this time I won't
show such a
sad world again.....
I.....Mom...!



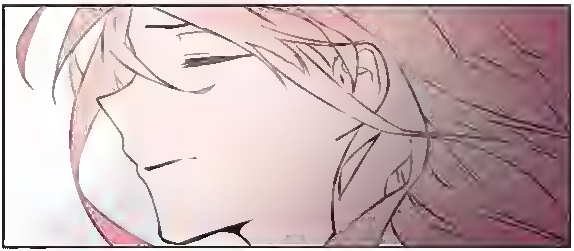
[Why is it so cold.....?]

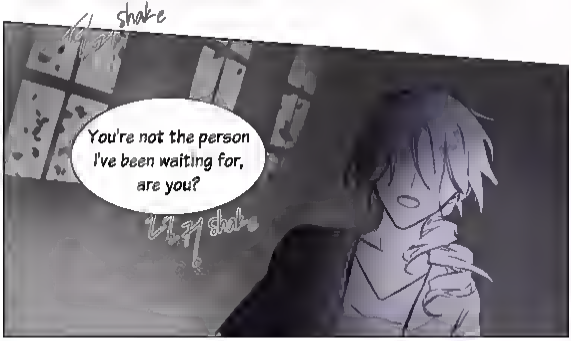


Um, what did you—...
I said, I'll protect...
No, I heard a voice again.

.....from the 'Outside'!
Don't hear it.....!!

shake
shake
shake
shake
shake
shake
shake
shake
shake
shake
shake





shake
You're not the person I've been waiting for, are you?
shake

The person who talked to me
is still in the 'outside' right?

Waiting for me in that world!

.....!!
I'm going out.
Get out of this town

and go to that world
which is calling me!

No.....!!
shifts
Ah.....!!
SWOOOSH

Ah.....!
!

I finally found you.....!
